# 1. Title

## K-CERAMIC “Story of a Thousand Years”

## 2. Concept

### **K-CERAMIC (Goryeo Celadon)**

- Korea Ceramic Master, Sechang Kim Se-yong's Goryeo Celadon Exhibition
- Exhibition of the story of Goryeo Celadon with 1000 years of history
- An exhibition to spread the excellence of K-Ceramic around the world like K-Pop, K-Food, and K-Drama.
- An opportunity to meet the biggest, most beautiful and most expensive Goryeo Celadon without going to Korea.
- The meeting of tradition and modernity, an opportunity to meet the developed Goryeo Celadon of the 21st century style Goryeo Celadon.

# 3. About

## Master Kim Se-yong

# 3. About

## Master Kim Se-yong

- Selected as Korea Master Hand of Ceramic No. 349 by the Government of the Republic of Korea in 2002
- Royal collection of late Queen Elizabeth II of England.
- Collection of the Dalai Lama Royal Palace in India.
- It is collected in famous places around the world, such as the Smithsonian Museum.
- The leader of the 21st century Goryeo Celadon, who expressed a modern sensibility on top of it while maintaining tradition.
- The best ceramic master in Korea who is still active even at the age of 77.

## Muckenthaler Cultural Center

# 4. Location

## Muckenthaler Cultural Center

- Located in Fullerton, Orange County, California
- American Alliance Museum
- The Muck produces close to 100 events annually. These include concerts in our extraordinary outdoor amphitheatre, and our indoor cabaret space. That includes our five free-to-the-community Cultural Festivals, our Art gallery exhibits, a lecture series, and occasional film events.  
We inspire through the arts.
